

Academy of Health Information Professionals

Form COMP

Revised 07/2008

Required of all new applicants holding a master's degree from a non-ALA-accredited program

Instructions: Please type or print all information. For each professional competency, list formal instruction taken to fulfill the requirement. See the Academy Web pages (<http://www.mlanet.org/academy/competency.html>) for more information about each professional competency, the types of approved instruction, and required documentation.

This file is for use with a word processor. See the Academy Web site for forms in Portable Document Format (PDF): <http://www.mlanet.org/academy/forms.html>.
